

Lubrita DEO UHPX LD 5W-30

An eminent fuel economy diesel engine oil

ST-CVL-4029

Heavy duty diesel engine oils

Product Description and Benefits

An eminent fuel economy diesel engine oil based on the actual additive technology combined with very special base oils. This engine oil has the following properties:

- a very powerful detergency prevents deposits in the engine
- a very strong dispersion that prevents from precipitation and sludge
- a powerful activity against corrosion and foam
- a high and stable natural viscosity index
- a high sulphated ash number
- a powerful activity against wear resulting in strongly reduced wear of piston-rings and cylinder-liners
- a lower fuel consumption

Application

This fuel saving lubricant has mainly been developed for heavy diesel engines even under the toughest operation conditions and all the year round. This product is very suitable for EURO 3, 4 and 5 engines in combination with diesel fuel with a relative low sulphur content. This engine oil is also developed to allow (in consideration of the official instructions) extended oil drain intervals.
