Passenger vehicle engine oils

Product Description and Benefits

A fuel economy, universal motor oil, developed according the most recent technology, based on specially selected synthetic base oils to which advanced additives are added to obtain the following properties:

- lower fuel consumption
- suitable for modern catalysts
- fast cold start
- safe lubrication film at high temperatures
- extended oil drain intervals
- very good detergency and dispersion
- very strong protection against wear, corrosion and foaming

Application

This universal, fuel economy, low SAPS motor oil is recommended for use in petrol and diesel engines, with or without turbo-charging, in passenger cars and delivery vans with extended oil drain intervals.
