Explanations: FE - Fuel Economy
SAPS - Sulphated Ash, Phosphorus, Sulphur
LL- Long Life Oil

Lubrita Quality and Sustainability

When quality and reliability are essential

Manufacturing is done in accordance certificated with ISO-9001:2008, ISO-14001:2004 and OHSAS-18001:2007 which means that our policy is aimed at meeting our customers requirements as much as possible, without losing sight of aspects like **security, health and environment**. With our extensive range of high quality oils a growing number customers now trust Lubrita lubricants to provide cleaner running engines, better fuel economy, lower maintenance costs and longer equipment life.
