

## Lubrita Hand Cleaner Yellow

**Powerful citrus hand cleaning gel  
for removing heavy duty industrial soiling**

**ST-CLN-5000**

**Hand Cleaners**

### Properties

Premium quality hand cleaning paste based Orange Terpenes, Aloe Vera extracts, Jojoba Esters and effective abrasives. Hand Cleaner Yellow is specially developed for removing extremely stubborn industrial soiling. It's unique product formulation easily removes soils such as lubricants, grease, paint, varnish, ink, tar, bitumen and adhesives. Hand Cleaner Yellow cleans, moisturises, protects and is dermatologically tested, pH neutral and biodegradable.

### Application

Removing extremely stubborn industrial soiling.

### Directions for use

Rub Hand Cleaner Yellow into dry hands until dirt loosens, preferably with use of a dispenser pump. Rinse off with water or remove with a towel or wipe. Preferably keep from freezing but store in a cool area.

### Environment & Safety

Complies with EEC directive 73/404/EEC on biodegradation for surfactants. In addition, the surfactants in the products comply with the criteria for biodegradation set out in directive 648/2004/EC concerning detergents. All products comply with European regulations on cosmetics (76/768/EU).

### Product Features
